WINNIPEG, Manitoba – April 6, 2021 – Exchange Income Corporation (TSX: EIF) (“EIC” or the “Corporation”) is pleased to announce that it has entered into an agreement to sell, on a bought deal basis, 2,031,000 common shares (the “Shares”) from treasury to a syndicate of underwriters (the “Underwriters”) co-led by National Bank Financial Inc. and CIBC Capital Markets. The Shares will be offered at a price of \$39.40 per Share, for gross proceeds to the Corporation of approximately \$80,021,400 (the “Offering”). Throughout the pandemic the Corporation has reduced its net debt levels and is now experiencing increased acquisition opportunities. Accordingly, the Corporation wishes to be able to move quickly to take advantage of opportunities should the situation warrant. As such, the net proceeds of the Offering will initially be utilized to pay down funded debt, until required for future acquisitions or other growth opportunities.

The Corporation has also granted the Underwriters an option to purchase up to an additional 304,650 Shares, representing 15% of the size of the Offering, on the same terms and conditions, exercisable at anytime, in whole or in part, up to 30 days after the closing of the offering.

Closing of the Offering is expected to occur on or about April 26, 2021. The Offering is subject to normal regulatory approvals, including approval of the Toronto Stock Exchange of the listing of the Shares, and will be offered in each of the provinces of Canada by way of a short form prospectus.

The Shares have not been and will not be registered under the United States Securities Act of 1933, as amended, and accordingly will not be offered, sold or delivered, directly or indirectly within the United States, its possessions and other areas subject to its jurisdiction or to, or for the account or for the benefit of a United States person, except pursuant to applicable exemptions from the registration requirements.
